

## Micheldever & Stratton Preschool First Aid Policy (Revised 4<sup>th</sup> December 2022)

*Working in conjunction with the Early Years Foundation Stage Statutory Framework (EYFS).*

Quality and Consistency.

A Secure Foundation.

Partnership Working.

Equality of Opportunity.

**Unique Child   Positive Partnerships   Enabling Environment   Learning and Developing**

### Introduction

At Micheldever & Stratton Preschool we are able to take action to apply first aid treatment in the event of an accident involving a child or adult. At least one adult with a current first aid certificate is on the premises, or on an outing, at any one time. Newly qualified staff who achieved an early years qualification at level 2 or 3 on or after 30 June 2016 also have a paediatric first aid certificate (within 3 months or as soon as available spaces arise) in order to be counted in the adult:child ratios. The first aid qualification includes first aid training for infants and young children. We have evidence of due diligence when choosing first aid training and ensure that it is relevant to adults caring for young children.

### Procedures

The First Aid Box, Accident Book and Medication are kept in the kitchen. Epipens and Inhalers are kept in a box out of the reach of children in the kitchen area, unless they need to be refrigerated in which case they will be kept securely in the fridge. Medicines prescribed by a doctor for named children are stored in a box out of the reach of children in the kitchen or stored in the refrigerator as required.

Annette Tivey is responsible for checking and replacing the contents of the First Aid Box. Parents sign their consent at registration allowing staff to take their child to the nearest Accident and Emergency unit to be treated on the understanding that they have been informed and are travelling there.

### The first aid box contains:

- One first aid guidance card
- individually wrapped sterile plasters in assorted sizes, including hypoallergenic plasters
- sterile eye pads
- four individually wrapped sterile triangular bandages
- six safety pins

Micheldever & Stratton Pre-School, The Warren Centre, Micheldever Station, SO21 3AR, Tel: 07934981271,

EY2647913, Charity Number: 1076656

- two large, individually wrapped, sterile, unmedicated wound dressings
- six medium-sized, individually wrapped, sterile, unmedicated wound dressings
- disposable gloves
- scissors, tweezers.
- adhesive tape
- disposable aprons
- individually wrapped non-alcoholic moist wipes
- digital thermometer
- one resuscitation face shield
- 1 litre of sterile water (cleaning wounds)
- Sterile water pouches for eye irrigation.
- Cold packs.

Medication is only administered in line with our Administering Medicines policy.

In the case of minor injury or accidents, first aid treatment is given by a qualified first aider.

In the event of minor injuries or accidents, we normally inform parents when they collect their child, unless the child is unduly upset or we have concerns about the injury. In which case we will contact the child's parents for clarification of what they would like to do, i.e. whether they wish to collect the child and/or take them to their own GP.

Minor head injuries/bumps to the head. If a child bumps their head at pre-school we ask parents to collect their child and observe their child at home for 48 hours. If your child bumps their head at home, please do not bring your child into preschool until 48 hours have elapsed.

An ambulance is called for children requiring emergency treatment. We contact parents immediately and inform them of what has happened and where their child has been taken.

Parents sign a consent form at registration allowing a member of staff to take their child to the nearest Accident and Emergency unit to be examined, treated or admitted as necessary on the understanding that they have been informed and are on their way to the hospital.

Accidents and injuries are recorded on our accident record book, and where applicable, notified to the Health and Safety Executive, Ofsted and/or local child protection agencies in line with our Recording and Reporting of Accident and Incidents Policy.

### Legal framework

- First Aid at Work: Your questions answered (HSE Revised 2015)
- Basic Advice on First Aid at Work (HSE Revised 2012)
- Guidance on First Aid for Schools (DfEE Revised 2014)

### Qualified First Aiders are:

Nicola Rae

Annette Tivey

Certificates are displayed on the parent's board and in the Managers file.
